The Honorable Gregory M. Sleet
United States District Court
844 N. King Street
Wilmington, DE 19801

Re: *Abbott Diabetes Care, Inc. v. DexCom, Inc.*
C.A. No. 05-590 (GMS)

Dear Judge Sleet:

DexCom's letter of today advising the Court of Abbott's position is not fully accurate. As counsel for Abbott informed counsel for DexCom earlier today, Abbott does not intend to seek a TRO or preliminary injunction at this time, and will not be doing so next week. Thus, DexCom's letter is not correct in saying that Abbott has decided not to seek any "preliminary injunctive relief in this case."

Early this afternoon, I left a message for chambers indicating that, because Abbott would not be seeking a TRO at this time, there would be no need to bother the Court for the teleconference Abbott had requested to discuss the briefing schedule for that motion. We appreciate, however, the courtesy extended by chambers in discussing yesterday our request for a teleconference.

Respectfully,

/s/ Mary B. Graham
